SHOOT LIKE A COWBOY

NEW SHOOTER INFORMATION

CALL FIRST • COME WATCH IF YOU CAN

3rd Saturday • hammers down 9:00 a.m. • Visitors welcome. No costume to watch.

He will assign a cowboy guide — or more than one, if a family needs it.
The guide is the first step. A family with no experience may get an orientation first.

PLEASE READ

A cowboy guide shoots the first two matches with you, walks you through the town,
the loading table, the first stages, and gives you contact info for questions.
The free match comes with registration for a guide. List your experience so we can match you.
The New Shooters Class is optional. $30 individual / $50 family. Free if you bring your own ammo.
Safety comes first. We may run an orientation at an unused stage instead of a full match.
Club waiver still required. Follow the Range Officer. Brass stays on the loading table.
